See Our New Glass-Front Niches!

The Catholic Church *permits* cremation...and Catholic Cemeteries offers a unique and limited opportunity to purchase our new softly lit glass-front niches, located in the Queen of Heaven Mausoleum Chapel at the Queen of Heaven Catholic Cemetery.

From bronze...to wood...to marble...

we offer a choice of single urns in wrought bronze, fine woods—including mahogany, cherry, oak and walnut—and cultured marble in a variety of colors and textures. (Actual colors may vary.)

Double urns are available in cultured marble only.
